Notes:

Please camp where directed by Rally control. This is to ensure that ordinary vehicles & trailers are kept well away from the rally field.

The centre area must be kept clear for cars line-up & field events.

Toilets open 7am each day in the Golf Club, but locked overnight.

2 toilets are available 24/24 across the main Golf Club entrance car park, situated next to the maintenance hut. Showers are

available from 7am. We ask you, if possible, to take your Saturday morning showers at times to *avoid* the congestion period between

8-9am in the changing rooms when lots of Golfers are arriving for the Saturday's Match Day. Please do NOT walk around the golf club reception area, partially dressed, with towels & washbags!

Please keep to within the boundaries of the Rally Field at all times. We cannot be held responsible for golf ball injuries incurred if you stray on to the Golf Club Driving Range, adjacent to our site.

Thank you for coming to our Rally: see you next year at a new Rally Site, PLUMPTON ... in SUSSEX
